NEW BUSINESS

Board Members, Assignments & General Information:

Scott DeLonge presented the updated Board member contact sheet and reviewed assignments for the 2026–2027 season. He proposed that the Tournament Committee include one representative from each league to assist with next season's events.

Scott also presented the General Information Packet and highlighted updates to be included in the upcoming calendar books. It was noted that the section on the handicap system and scores to be used section was outdated. The proshop is no longer entering scores, outside of league, and there is no handicap committee to oversee if cards/scores are being posted. All agreed that the subject will need to be revisited at a later time.

Scott continued by stating that he and Ray Walton will review the bylaws over the summer; therefore, a complete updated version was not included at this time.

Calendar Status:

Mike Hayes reported that a digital version of the calendar will be distributed to all members for planning purposes. He also confirmed that the printed calendar books have been approved and are currently in production.

Scott noted that the deadline for leagues to submit their schedules for next season will be February 15, 2027, to allow sufficient time for calendar preparation.

Discussions:

~Scott DeLonge reported that he purchased a grill, including accessories, for association use in the amount of \$100.00 and requested reimbursement. A motion was made, seconded, and approved.

~The topic of handicaps was revisited, and it was agreed that Mike Hayes will lead the Handicap Committee going forward.

~Khris Clevenger and Ron Hovet will meet to review member tee time availability and outside play considerations.

~The Board unanimously agreed to forego a May meeting, as league activities will not resume until September.

There being no further business; a motion was made, seconded, and approved to adjourn the meeting at 4:28 p.m.
