

On May 10, 2024, at 4 P.M. all residents are invited to a very pleasant roundup of folks who would find joy and want to learn how to help Pine Lakes Theater. It will be held in the back of the Clubhouse Ballroom.

We plan to have a production in December which will include folks on stage, back stage, a chorus and various other important crew members. If you sing, play the piano or play an instrument, we are planning on music this year as well as drama. Come and learn about the various ways to have fun with fellow thespians. There will be some goodies to eat and drink while you listen to our plans They will be supplied by Pine Lakes Theater.

If you cannot attend and want to help, please call or text.
