ATTENTION ALL PINE LAKES RESIDENTS - 29th March 2024

Trappers today removed two (2) five foot gators from the lake near the pool. The trappers indicated it was obvious the gators were being fed as they swam right to them waiting for food.

THIS IS A WARNING THAT GATORS ARE NOT TO BE FED.

SERIOUS CONSEQUENCES COULD RESULT IN INJURY OR POSSIBLE DEATH.

*LEGAL ACTION IS IMINENT FOR SUCH ACTION; BEIT FINES OR POSSIBLE
INCARCERATION (JAIL).*

PINE LAKES DOES NOT WANT TO HAVE ANY ACCIDENTS; LET'S BE WISE
