Problems/issues/suggestions:

- 1. Jerry and Sandy will find something to use to cover the handrails on the sunny end of the court.**
- 2. Big thank you to Sandy for fixing the bulletin board. It's now something to be proud of.**
- 3. Jerry and Sandy will keep bugging ELS about the sun screen for the tennis court end.**
- 4. The official balls need to be cleaned on a more regular basis once play begins. We will discuss that more in September.**
- 5. Jackie B will put a calendar on the bulletin board so people can reserve the courts for private use, an hour at a time. Someone needs to monitor it during the summer to remove pages at the end of the month.**
- 6. Jackie B will continue doing the schedule, rosters and standings.**
- 7. Jerry and Sandy will look for a new storage bin in the fall to replace the one falling apart.**
