## PINE LAKES HOA II

Bob Konetzny, President

**D**ear Pine Lakes Leased Land Residents,

Our goal for the coming year will be to focus on our resident's needs, to audit the ELS billings to insure our residents pay the fair and correct expenses. In addition, we will continually remind ELS of their responsibilities for our residents. We will work closely with the PLEHOA to insure this happens. Our goal is to be proactive in dealing with ELS. We will incorporate the Plan of Action Committee into the two respective HOA's, as well as continue to keep you updated on any events associated with the ELS' acquisition of the French farm. As of this writing, ELS has not purchased the French family farm. After spending an average of \$29,000 per acre for the land west of us and north of the Church, we wonder why ELS would pay \$108,000 per acre for the farm. We would think that ELS, Chicago is also asking the same question.

Our goal is to involve the leased land residents in major decisions and/or actions. In speaking for the other Board members, we will do our best to represent you for your best interests. We have a very dedicated, volunteer Board who have already spent a large amount of time over the last two months supporting you. Your HOAII Board supports you by co-paying the insurance cost of all established community events, the "Our Pine Lakes Website", C.E.R.T and ARC services, we attend Liaison meetings with ELS Management, follow up with Resident Concern forms, manage inspections before and after events, and communicate all we know to our residents via emails, Facebook and Monthly HOAII meetings. In return, we would like YOUR support.

If you have not yet paid your HOAII dues to become a member, then I urge you to do so soon. As of the current writing, we have 350 residences as members. This represents only 59% of the 586 homes. A small percentage of membership vs total residences weakens our ability to negotiate with ELS, and sends a message to them that a large portion of the residents are not concerned with what is happening in Pine Lakes. Annual dues are only

*continued next page...*

\$25.00 per year. To put this into perspective, the Estate PLEHOA membership dues are \$80.00 per year and are not voluntary...thus, they have 100% membership. I further urge you to send your \$25.00 membership fee to Beverly Bynum as soon as possible...or any other HOAII Board member. In closing, on behalf of the new Board members, I want to thank you for having confidence in us. We will support you to our best ability.

The following list of residences have NOT yet paid their membership dues. This list is meant to be a friendly reminder to become a member as soon as possible. Again, we appreciate your support.

## FMO REPORT

By Ron Thoreson

FMO Greetings to all.

Please update your membership. Go to [www.fmo.org](http://www.fmo.org) and make sure your membership is up to date! Below is how FMO works for Florida manufactured homeowners! Please support FMO by paying your membership. Unsure of when yours is due? Email me at [ron@ronthoreson.com](mailto:ron@ronthoreson.com) and I will let you know!

I, Ron Thoreson, your Pine Lakes Park FMO Representative, have the pleasure to report to you (via this report by Nancy Black Stewart), that the Legislature had passed a final version of the bill that will extend the Mobile Home Tie-Down Program for 10 years. It is now scheduled to sunset (end) on June 30, 2032. The budget provides the spending authority for \$2.8 million, of the \$10M total directed to the Mobile Home Tie-Down Program specifically.

For several weeks Nancy Black Stewart, has been working toward obtaining additional funding to be dedicated to the wait list for the Program.

Today, I am so pleased to report that this year's budget has an additional \$7 million dedicated to the MH Tie-Down Program. This is final action by the Legislature. There are no amendments permitted to the Conference Report that is the budget... so no legislator can remove it! The final budget was made public about an hour ago!

Senator Ed Hooper, (Palm Harbor), placed the \$7M in the Senate budget with the approval of the Appropriations Chair, Senator Kelli Stargel, (Lakeland), and President Wilton Simpson, (Spring Hill).

At the first opportunity, the House accepted the line item and included it at their end as well.

Representative Matt Willhite, (Wellington), our bill sponsor was helpful in doing this with the approval and support of Representative Jayer Williamson, (Pace), Chair of Infrastructure & Tourism Appropriations Subcommittee, Representative Jay Trumbull, (Panama City), House Appropriations Chair, and House Speaker Chris Sprowls, (Clearwater).

Hooray!!! Very exciting news to share! Obviously, the next attention will be two-fold:

- To appropriately thank legislators for supporting the underlying bill and also the additional funding!
- To protect both our legislation and the additional funding from a possible veto.

Stay tuned! Timing is everything!

Thanks to all of you who actually took action during the Session to reach out to Legislators. You followed the script and it played to our benefit. I think I will be able to sleep tonight.

## C.E.R.T.

By Mike Gloss, Pine Lakes CERT Leader 330-524-1292

CERT members Jary Quinones and Becky & Mike Gloss attended a CERT FireWise USA event sponsored by Herons Glen CERT. Many of Lee County Departments were in attendance with personnel and equipment: Mosquito control, NFM paramedics, NFM brush fire division, Lee County Sheriff's Department water rescue, Sheriff's Department and United Way Reunite program, Department of Forestry and several Safety equipment vendors. We were able to visit with all and learned many things about each.

Don Vetter completed his CERT training and we are happy to add him to our Pine Lakes team.

Sunday, March 9th a brush fire was started by an electrical transformer malfunction on the west side of Circle Pine Rd. A portion of the road was closed for several hours as the N Fort Myers Fire Department fought the fire. A portion of the boundary fence was bulldozed to allow access to the fire. Your CERT was in close contact with both the N Ft Myers Fire Department and Lee County Sheriff's department but were not activated as they had the situation under control.

Several Pine Lakes CERT members attended the N. Ft. Myers Fire Department's CERT picnic at the Fire Station on Trail Dairy Rd. A new Fire Engine was dedicated and a great lunch and door prizes were distributed.

CERT cake at the NFM Fire Department picnic – delicious!

## PINE LAKES MEN'S CLUB NEWS

By Rick Saniti, President

Well, we all appeared to have survived our 1st season, post Covid, our attempt to get things back to "normal". Shows booked for the 2020-2021 season were put on hold till things were allowed to fire back up again in the 2021-2022 season. The Men's Club was a bit worried as to what the response would be from our wonderful Pine Lakes residents when the shows for this season started. Our October Halloween dance went well. I had never seen that many great costumes at this event. It was fabulous! In November, we presented the wild one, Johnny Rogers, doing his country western show. Attendance was good, not great, but good. The show was super energetic and wonderful. Also, during these 2 months, bingo was slowly gaining steam. After starting in October, player by player, the attendance grew to what it averages now, which is around 80 to 90 bingo players.

Additionally, during this season, there was the constant threat of different strains of the Covid virus being thrust upon us. Residents got worried and show attendance reflected it. We started out good in January with a 2-part show featuring a comedian and a singer duo. Good attendance, great show. But I don't know what happened during the latter part of the season, but the Men's Club struggled to get residents to come to the shows. The 2nd show in late January didn't do well. The Home Show, which a ton of work goes into, did OK, but vendors appeared to be skittish about displaying their wares. We were very excited about the February show. So excited that we had booked a matinee and an evening show. Remember the Bee Gees and Abba? Lines going out the door to buy tickets? We had to add another show to each. Not so with Chicago Rewired. For such a long lasting and popular group, we had to cancel the matinee. March brought our usually sold out St. Patrick's day dinner/dance with food served by Mel's Diner. Again, not quite what we expected. Based on the declining attendance, we cancelled our April potluck dinner/dance. Bingo will most likely run through April, but other than that, the 2021-2022 season is in the books.

Your Pine Lakes Men's Club would like to thank all the residents who came out to support our events. The Men's Club would especially like to thank the driving force behind us, our wives. Thank you, Kate Brown, Anna Clark, Bobby Dunlap, Trudy Minahan, Sandra Smith, Brenda Loubier, Bev Thoreson, Teri Walton and my wife, Wendy Saniti. *Be well and we'll see you next season!*

# PINE LAKE PANTHERS SOFTBALL

By Ed Huether

► February 16th was a nice night and fan support was terrific. However, they witnessed the end of a two- game winning streak for the Panthers when Lake Fairways (Div. A) won in a blow-out 18 to 2.

► The weather was beautiful at Carmelita Park On the 21st. The stands and side lines were full of Panther fans. The manager of Magnolia Landing asked the Panthers manager what we were giving away to get so many fans to come to the game. What a great showing. Magnolia Landing is a team that the Panthers have had trouble with all season and unfortunately tonight was no different. Magnolia Landing won 15 to 6. The Panthers had the hits but couldn't string them together at the right times and left too many runners on base. Dave Joseph got 3 hits and Bud Gehring got 2 hits they drove in 2 runs each. Tom Liptak, Tom Holtz, Dave Duquette, Ed Huether and Jim Holbrough each got 2 hits.

► February 23rd the Panthers versus the Buccaneers. It was a close fought game with a lot of action. Tom Holtz hit his second home run of the season and drove in 3 runs. Panthers made 2 double plays, one the hard way. With a man on first and second for the Buccaneers the batter hit a hard grounder to 3rd base, Joe Cuifalo made the tag and threw to 2nd but the runner beat the throw, Dave Duquette made the good turn and hard throw to Norm Smith at first to get the runner. It was pretty to watch. Tom Liptak got 3 hits, Bill Skinner and Joe Cuifalo got 2 hits each and the three of them drove in 2 runs each. JB Smith got 2 hits driving in 3 runs. Panthers 13, Buccaneers 10. Hope you didn't miss it.

► The game on the 28th was another game you had to see. The Panthers played Tara Woods and it was close, with some great defense from both teams. Kevin Shepley of the Panthers hit a long triple and scored on Joe Cuifalo's single. The score was Tara Woods 6, Panthers 5. It was a nice evening and the fan attendance was great. The fans saw a good game.

► March 2nd the Panthers played the Del Tura Amigos of (Div. A). As, always we had good fan support. If you were at this game, you saw some hard hit balls and great catches. The Panthers Mike Watson made a great catch in right center field. The Panthers got enough hits, just not at the right time to bring in the runs. Amigos 14, Panthers 4.

► Oh, the nights are much warmer at the ball park. Fan attendance for the Panthers game on March 7th was great. It was a good game against Magnolia Landing. Big run producers were Bob Bonisolli, driving in 3 runs, Bill Skinner and JB Smith driving in 2 runs each for the Panthers. Big hitters were Kevin Shepley, Joe Cuiaflo and Steve Falck with 3 hits each for the Panthers. The Panthers have played Magnolia Landing hard throughout the season but Magnolia Landing has dominated the Panthers. As the Brooklyn Dodgers use to say "wait till next year" (that is for those who remember the Brooklyn Dodgers).

► The March 9th game against the Buccaneers was a great game, it was close throughout. Dave Duquette was the big run producer driving in 3 runs for the Panthers. Bill Skinner, Tom Holtz, Dave Duquette and JB Smith each got 2 hits. The Panthers turned 2 double plays and Matt Heier made 2 great catches in right field. Bud Gehring pitched the first half of the game and made a great catch of a line drive hit back at him. Dave Joseph closed out the game. Each team scored 4 runs in the 1st inning, Buccaneers scored 1 run in the 3rd, with the Panthers scoring 4 in the 5th and the Bucs scoring 3 to tie the game in the bottom of the 5th inning. Panthers came back with 1 run in the top of the 6th inning and shut the Bucs out for the next two innings winning the game 9 to 8. We had a great fan turnout which always seems to energize the team.

► This was the next to the last game of the 2022 season. It was a beautiful night and the stands were full of our loyal fans. The Panthers played the Del Tura Diablo's a team that the Panthers dominated throughout the season. However, March 14th was a different story. The game was tied until the top of the 4th inning when the Diablo's scored 3 runs which the Panthers never recovered from. Big hitters for the night were Norm Smith, Bill Skinner, Dave Duquette, JB Smith and Ed Huether with 2 hits each. Run producers were Joe Cuifalo who drove in 2 runs and Norm Smith, Tom Liptak, Bill Skinner and Bill Plew all driving in 1 run each. The Panthers turned 2 double plays. The Diablo's won 10 to 6.

## FAIRWAY PINES PICKLEBALL NEWS

Janet Dudding--Club Secretary

March has been an exceptionally busy month for the Fairway Pines Pickleball Club. We have completed the second ladder competition of the season with a record number of 48 participants. Our Executive VP, Steve Seifer, did an amazing job of organizing this activity that ran from February 10-March 7 on Mondays and Thursdays from 2-6pm. With this number of participants, it was necessary to secure additional courts and we would like to thank the Tennis Club for sharing that facility. Once again, players had great games and enthusiastic fan support. Following are the leaders from each of the ladders: Jeff Clark-Ladder 1, Bob Howland-Ladder 2, Larry Guile-Ladder 3, Mary Valentine-Ladder 4, Mark Sirois-Ladder 5, Janet Dudding-Ladder 6, Anne Hartnett-Ladder 7, Virginia Mitchell-Ladder 8, John Valentine-Ladder 9, Sue Bonisello-Ladder 10, Janis Rossiter-Ladder 11, Kathy McInerney-Ladder 12. Congratulations to all participants!

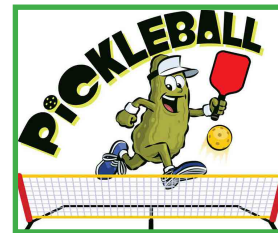

The third ladder competition will begin on March 10 and will run until March 29. This tournament will be separate men's and women's ladders and will be played on our pickleball courts Tuesdays and Thursdays from 2-6pm. Come on out and cheer on our participants! Thank you again to Steve Seifer for organizing these events for our members.

It takes a great deal of dedication and commitment to run a club at Pine Lakes and Lake Fairways and the Pickleball Club is no exception. Our President, Sandy Weiland, has had a great number of issues to monitor behind the scenes to ensure a smooth operation. She has guided us through an exciting foundational year that we will continue build on for future success. Thank you very much Sandy for your exceptional leadership! In addition, we would like to thank Bob Howland for all he has done to manage the courts and scheduled play each day. Jay Schofield has continued to offer pickleball lessons to new players each Tuesday and Thursday morning. These group lessons have allowed new players to transition to our scheduled daily play with confidence and success. We are very lucky to have Jay as our instructor! Also thank you to Kathy Dow for re-organizing the court reservation system and to Glen Dow for repairing our information board. It is wonderful to have volunteers committed to making pickleball at Fairway Pine Lakes an enjoyable activity.

There are several activities that will be reported in the May newsletter as they will be occurring after the deadline for newsletter submissions for April. They will include the results of our 50-50 draw, information from our first annual general meeting/social, and results from our Club Officer elections. As always, please don't hesitate to contact your club officers if you have any questions or would like to chat.

## PINE LAKES SHUFFLEBOARD WINTER COMPETITION ENDS!! PLAY FOR FUN BEGINS!!

Elaine Mandeville

Our Winter Season has ended after a great season with COVID moving out along with the cold weather! The season culminated in an ice cream social and awards on the 22nd. A great time!! A total of 39 folks showed up on various Tuesday nights for one night or more. A real testament to Irene and Al Gaetani who, for several years, have worked with ELS to get the lights and courts upgraded, prepared the courts and equipment each week, organized the teams and kept the scores. Their dedication is responsible for this fun sport continuing each year here at Pine Lakes.

Many new players have come out to enjoy the fun on Tuesday nights under the new LED lights! The winter competition is finished but Irene and Al will be opening the courts each Tuesday at 7:00 PM beginning April 5th after a short vacation! No scores will be kept and no money collected. Just show up at the courts on any Tuesday evening. If you have not played before, it's really easy to learn. Join the fun!! Also, the courts can be used any time by any Pine Lakes resident or guest using the equipment near the court.

## PINE LAKES BOCCE LEAGUE

Jim Rastrelli

The final week of the Pine Lakes Winter Bocce League Season is over. The winter season ended with three teams tied for First Place with winning records of eight wins and only one loss. Judie Greene & Rich Pacewic, Ann Salerno & Dick White, Jean Rourke & Joel Lembo, will be battling it out in a play-off for the coveted prize of First Place. Without a doubt it was an exciting Winter season.

Two teams finished in second place, Bernice Furnia & Jim Rastrelli, Elaine Mandeville & Tony Fettig with seven wins and two losses. For third place there were seven teams, Pat Pacewic & David Segal, Jackie Yablonski & Bob Margrett, Lynne Bentsen & Ed Garofolo, Peg Ackley & Jerry Converse, Irene Gaetani & Popcorn Jeka, Jackie Miranda & Craig Greskoviak, Paula Freeman & Larry Hyskey with six wins and three losses.

By any standard it was a very close and exciting season of Bocce Ball at Pine Lakes. We had twenty-eight teams and seventeen new members in the league, and all quickly learned the skills of playing Bocce and they provided stiff competition for the veteran players. Everyone really enjoyed the weekly games and the competition.

The Bocce Committee provided coffee, water and cookie treats each morning and a few "split the pot" raffles to make playing Bocce at Pine Lakes a fun and exciting social event.

For the May issue of Whispering Pines, I will report on the Playoff results and any news that comes out of the Awards Banquet.

FIRST	LAST	WINS	
Al	Gaetani	14	1st Place
Hal	Shelton	11	2nd Place
Rich	Pacewic	10	Tie for 3rd
Ron	Phillips	10	Tie for 3rd
Irene	Gaetani	9	4th Place

## TENNIS FUN

Cully Swinford

As I write this article, I realize our snowbird friends will be heading north soon and our winter sports will be coming to an end, including tennis. Our men's teams still have a few weeks left but your Pine Lakes Gator Gals had their last game on Thursday, March 17. We had a fabulous season as we came in 3rd place. As a new team, every one of our ladies gave it 100%. I have to say it was as much fun to watch as it was to play! We ended the season with a potluck under the tiki hut at the pool with great friends, great food, great weather and great conversation!

Though the men's teams have not finished yet, we had our end of the year tennis party with a Mardi Gras theme. Food was brought in by Olive Garden with music from Cam the Canadian. Such a fun night with dancing, games and for me, trying to figure out who some of these people were as they were not in their usual tennis attire!

There is still a lot of activity going on in the park. Come down on any Wednesday morning and you'll see horseshoes going on as well as bocce ball, tennis, pickle ball and swimmers in the pool. I love Wednesdays! Till next time, I bid you adieu.

## WAKE UP AMERICA – LARRY DOW MEMORIAL

Lew Ackley

This was a day to remember, a one-of-a-kind man who was put on this earth to do many things...and I do believe that he more than met that challenge.

We in Pine Lakes and Lake Fairways knew him as a good friend who was always willing to lend a hand. Larry put a lot of effort into Wake Up America by helping to provide food for those less fortunate in our corner of Florida. He was an organizer who was very good at keeping the wheels turning. He worked with the stores who donate food and he was a wizard at finding the organizations that distribute food. Larry was an integral part of Wake Up America for many years.

Larry will be sorely missed by his family, his friends and those he worked with. Could there be a better legacy?

## SYMPATHY THANKS

I would like to thank all of the wonderful friends and neighbors in Pine Lakes for their incredible caring and support during our loss of Larry. It once again reminded me of just how great this community is.

## TEE TIME Ladies 18 Hole Golf League

Joann Cline

Sending off our many snow-bird friends with this quote from George Carlin, **“Have you ever noticed that anybody driving slower than you is an idiot, and anyone going faster than you is a maniac?”** Wishing safe travels and a healthy and happy summer to you all!

By the time this issue of the Pines reaches your mailbox, most of our northern friends are either packed up and gone, or are organizing for the long trip back home. However, before packing their clubs, balls, and golf shoes, there was a lot of golf and golf business that had to be taken care of in February and March.

Of course, topping the list of golf activities was our Club Championship. The multiple elimination rounds throughout the month of February culminated in our championship finals played on February 25 and 26. The winners of each of the 13 flights are listed elsewhere in this issue and we say a huge **CONGRATULATIONS** to them all. The participants and winners of this tournament are not the only ones who deserve the accolades. **APPLAUSE** and **SPECIAL THANKS** go out to PLGA vice-president Phil Eberhardt and his right-hand man, Mike Hayes for all their hard work, and **thanks** also to all the people who stepped up to do jobs, no matter how big or how small, to help make this a successful event.

The Club Championship, like most of our golfing events here at Pine Lakes, wouldn't be as successful, or might not even take place, if it wasn't for the participation of our Director of Golf, Bill Chapman. **Thanks Bill** for all your help!

Club Championship might have been on the top of the list for some serious golf, but it couldn't take the title of **“Greatest Show on Grass”**, which always goes to our annual **Super Duper Mixed Grand Shoot-Out!** Played on Friday, March 18th, this shoot-out paired up winners of the ladies' and men's monthly shoot-outs in an alternate shot format. Advertised as the most fun event of our season for both spectators and participants, this year's shoot-out did not fail to live up to expectations. Crowds of spectators were on hand to watch some hard shots made, some easy shots missed, and when the last putt hit the cup, the team of Donna Schneider and Chuck Yedinak was named Grand Champions.

Not all the fun for the mixed shoot-out took place on the course. Before tee time, spectators and participants were given the opportunity to place \$5 bets on their favorite team or teams. The Schneider-Yedinak team may have been the best on the course once the match was done, but they weren't the most popular with the crowd when it came time to place their bets. Donna Schneider, confident of her own abilities, and Nancy Hurley, sure that she could pick the winner, were the only two who put their money down on the winning team, allowing them to split a good size pot of money. Who knew we had so many gamblers among us?

**Many thanks** to PLGA president, Debbie Hamilton, for organizing this fun event, and to Bill Chapman and his assistant, Mike Gloss, for keeping it all under control.

Along with the golf activities on the course there was some golf 'business' that had to be taken care of before our snow-birds began their migration north. The annual spring meeting for our 18 Hole Ladies League took place after golf on Wednesday, March 16th. The agenda put forth by league president, Donna Schneider, included discussion of continuing our summer shoot-outs, possibility of playing some of our summer league days with Lake Fairways, and the acceptance of some proposed amendments to our by-laws. Also on the agenda was the election of league officers, with Linda Knotts presenting the slate of candidates. Elected by unanimous votes were: President Laurie Pellerin, Vice President Denise Wright, Secretary Lori Skinner and Treasurer Joann Cline. The meeting concluded with **applause** and **many thanks** to out-going officers, Donna Schneider, Sandy Craig, and Joyce Reetz for all their hard work in the past several years.

## NIFTY NINERS GOLF

Pat O'Connell

**February 2:** Today is practice match play so we know what we are doing next week which is real match play. This is the lead up to the interclub championship in March. Match play is basically a hole-by-hole game and you can win or lose on a hole by 12 strokes and it just shows up as a +1 or -1 or E for even. Who wins the hole is how the scores are counted. Everyone in the Nifty Niners played this day but we really didn't count the score. In "real" Match Play you can concede the game if you cannot possibly win, like your opponent is ahead of you by 5 holes, 4 left to play but there is no way to win as each hole is basically a game in itself. The real big downside of this is that if you are tied at the end of nine holes you just keep playing until one person gets one more hole than the other.

**February 9:** This was the "real" match play. Four of us played in the Sweet Sixteen, Donna won against Joyce and Pat D defeated me (but I lasted for all 9 holes and didn't have to play any extra).

The rest of the league played a scramble and the results were: Winners were Team 1 that included Helen, Margi, Libby and Barb D; Second place was Team 2 that included Doris, Nancy and Joanne.

Out of the money, but only 1 to 2 points behind were third place: Ruth, Veronica and Kathy; fourth place was Jacquie, Janice and Brenda.

**February 16 & 21:** This was the Elite 8 part of Match Play, Ruth played against Janice, with Janice winning and Libby playing against Doris with Libby as the winner. These 2 will play against the last Match play winners, Helen and Shirley in the Final 4 on Monday, February 21. Many of the non-competing Nifty Niners followed the competitors. Janice and Libby survived to compete in the Club Championship. (That's who are standing by the flag on the ninth hole.)

**Wednesday February 23:** This was the regular golf for the Niners. It was a 2 best ball Shamble. Everyone drives, we pick the best ball then everyone is on their own and 2 best scores are recorded for that hole. Winners on this day were First Place, and finishing in the money, were

Jacquie, Donna, Libby and Joanne with a 42 total score; second place went to Doris, Janice, Pat D and Veronica with a 46. The other 2 teams had "outstanding" 51., no further comment!

**Friday February 26 and 27:** This was the Club Championship for all league golfers. Janice and Libby (pictured below) represented the Nifty Niners and many of the Niners took the opportunity to follow our champions again. In the 2-day Match Play which carries over scores from the first day to the second day, had 2 golfers, Libby and Janice, who were more pals than competitors, frequently cheering each other on every hole. Match Play is played by hole so once any player gets behind by more than the number of holes left, the game can be over. Janice technically won on the 5th hole but they chose to continue playing until they got to the 9th hole. *Practice makes perfect!*

## MEN'S GOLF LEAGUE

Dick Loubier

This is wonderful -- only 44 degrees this morning, no snow though, little wind only 20 miles an hour. A lot has happened this past month: Club Championship and Inter-Club Matches over, second day got rained out after 9 holes. Grand Shoot Out is over. Only thing left is Mixed Shoot Out on March 18th. I will give you the ten players playing in the Mixed Shoot Out later. We have the Men's Club Golf Tournament and the Ray Streeter Golf Tournament coming up this month also. One is on March 19th and the other March 26th. Results next month. Now for the Men's Golf League results.

## ENTERTAINMENT COMMITTEE

Bev Mercurio

Exciting news from the Entertainment Committee! April 30th we are having a dance featuring the fabulous Limited Edition Band. This band rocked the house for us New Year's Eve. We are so pleased to have booked them again for this dance. You will want to get your tickets early as it could sell out. Everyone had a great time dancing and or chair dancing the night away. Don't be left out! Jesse Howard will be your contact for information and tickets @ 207-735-5812. Tickets are \$10 and will be for sale at the April 2, coffee.

We are working on our summer schedule and will post details when we confirm the entertainment. For now, hold the dates of June 18th and August 13th open for some summer fun! The fun doesn't stop just because the season ends. There are a lot of permanent residents, who love to have fun all year round and we do!! For our friends returning north for the summer, see you next season! Happy and safe travels! Everyone else, please... stay tuned for our summer events!

Jesse, Linda, Bev, Jane, Tim, Steve and Dawn.

## PINE LAKES VETERAN'S ASSOCIATION

Linda Baker

Our March meeting was great! Our new segment called "Spotlight on You" was focused on Mike Tannenbaum, Bill Roberts and Gus Mimikos -- they were selected and regaled us with stories of their times in service as well as afterwards. We also had a presentation from the Lee Health Military Support Program with lots of information for us.

We are getting new members each month, if you haven't joined the Pine Lakes Veteran's Association yet, what are you waiting for? We would love to have you, and the best part is, it's free!! Come to the next meeting or contact any board member for a Membership packet. We have opened our membership up to the U.S. Military Veterans in Lake Fairways. If you know any of them, make sure they are aware and invite them to the next meeting.

**Attention Veterans!!!** Do you have a green light in your lamppost? You should! Even if you don't join our Veteran's Club, we want you to have one! Contact Tim Mercurio for yours. Why do we give Veterans a green light? Green is the color of hope, renewal, and well-being. "Green Light" is also a term commonly used to activate forward movement. America's veterans are some of nation's bravest, hardest-working men and women. However, it's hard to show them the appreciation they deserve when, back home and out of uniform, they're more camouflaged than ever. Greenlight a Vet is a campaign to establish visible national support for our veterans by changing one light to green. Here at Pine Lakes, we take it one step further by giving every veteran a green light to identify them to the community.

If you believe you are a member but are not getting the meeting reminder emails, please contact Linda Baker ([LLB5775@comcast.net](mailto:LLB5775@comcast.net) or 517-202-6219) to update your information. If you are interested in the **Honor Flight**, please contact Tim Mercurio, they are starting back up this summer!

Please contact one of the board members if you know of the passing of a Pine Lakes Veteran. Have you ever looked at the Veteran Memory wall in the clubhouse? Check it out, as we honor our veterans that are no longer with us. Our next meeting will be held Tuesday, April 5, 2022 at 2:00pm in the activities room in the Clubhouse. – **We will have a presentation from the Wolfhounds Legacy Corporation (Service Dogs for Veteran's). Hope to see ALL Veterans there!**

### NOTE TO ALL MEMBERS OF PINE LAKES

From Cindy Ahrens, Editor of Whispering Pines

Many of the photos that I've been including recently have been pulled from Facebook posts! I always contact the photographer to request permission for possible inclusion in the Whispering Pines. I can tell there are many of you taking and sharing some terrific photos! PLEASE SEND THOSE PHOTOS DIRECT TO ME at [cindyahrens@netzero.net](mailto:cindyahrens@netzero.net) so I can add to the Whispering Pines photo file to fill our color covers. There may not be space for all photos, but I will pull from that file as needed to include on our covers in color. THANKS TO YOU ALL!

### REMINDER TO ALL WHISPERING PINES READERS

Copies of Whispering Pines are not mailed to absent residents by the Editor or by the printer. There are three options for any member to read each issue to keep up on activities when not at Pine Lakes:

2) With no computer access:

- a) ask a family member to print a black & white paper copy, or
- b) ask a close Pine Lakes neighbor to request an additional copy of Whispering Pines to mail to you (don't forget to pay your neighbor for the supply of 9x12" envelopes along with estimated \$2.20 postage per issue).

***Happy reading no matter where you are!***
