Lee County E.O.C. (Emergency Operations Center) and North Fort Myers Fire Department has asked the Pine Lakes C.E.R.T. team to help them identify residents that choose to stay in place when a Mandatory Evacuation Order has been issued by Florida State officials for manufactured homes (Pine Lakes). The Mandatory Evacuation Order is usually ordered when high winds are expected as with a hurricane, tornado, or a storm surge.

Our solution is to have **RESIDENTS WHO CHOOSE TO STAY IN PLACE** complete a short form (sample below) that can be obtained at the Gate House or concierge desk and deposit it in the Emergency Evacuation Box located on the exit side of the Gate House wall. This information may be used by First Responders to expedite rescue response time after a disaster.

Please plan ahead. If mandatory evacuation is ordered, complete and deposit the form as soon as you make your decision to stay.

Thank you, Mike Gloss C.E.R.T.

HOA II BOARD

Gary Nicolini, President

Good day fellow residents. I hope everyone is doing well and ready for some beautiful summer weather in your part of the country. As you know by now, we have a new Manager here in our communities. I'd like to welcome Kevin Kauru and wish him well as he starts his journey here. Julie Flake is still our Area Manager and will be working with Kevin until he gets acclimated with our communities.

Well, our pool and hot tub are back in working order and it is great to see how beautiful they are. The new pool company has done a fantastic job of repiping the pool filter system and getting the new heater installed for the hot tub. There are still a few finishing touches that will be completed very soon. We also have tree stumps and dead trees that need to be removed and as money is allotted, they are being addressed.

Please make sure that you all keep up with any announcements on social media and on your email over the summer months, and plan on attending our HOAII monthly meetings when you come back. It's great to see our residents and to have a good conversation about our great community.

Along with our hot summer weather here in Florida comes the time of the year for hurricane season. As we all know, Ian was not kind to us last year and folks are still getting repairs completed today. Hurricane season is from June 1-November 30. **PLEASE** be prepared for the possibility of what this season can bring to our area. There are many seminars locally to attend so make sure you check them out as they are very informative. You might want to prepare a disaster supply checklist. We will

LIAISON MEETING MINUTES

JUNE 8, 2023

Pine Lakes Clubhouse Living Room -- 2:00 PM

Present:

Kevin Karau, Manager
Gary Nicolini, President HOAII
Ann Hartnett, Secretary HOAII
Ron Thoreson, Director HOAII
Mike Hayes, Director HOAII
Dick Loubier, President PLEHOA
Bob Godek, Director PLEHOA

Kevin introduced himself to the members of HOA's present, and gave us a little background of his experience in property management. He will be staying here as the Manager of both properties and Julie will be his Regional Manager. Kevin hired a new permanent Maintenance Supervisor named Bob Schule, who he worked with previously, and has been with ELS for 17 years.

These answers are from Kevin Karau:

Pool Area: The No smoking/vaping signs for the pool are ordered, and will be installed when they arrive. He will look into putting an extra table and umbrella designated for the smoking area at the pool, possibly outside gate near kitchen.

Additional garbage pails are ordered for the pool, with flap closure to keep out rodents.

Small tiki huts will be repaired under IAN damage funding. Contractors are behind schedule.

Canopies at pool and bocce are ordered and contract signed. They are going to expedite shade by pool but bocce is special order and will take longer.

The pool deck will be repainted with appropriate heat-resistant paint. Grout will be inspected so it can get completed.

Tables will be painted with polyurethane to make for easier cleaning.

A new shower is ordered to put by spa to replace one taken out during IAN.

Pool Kitchen is being budgeted for repair

continued next page...

Pub: The grill is ordered and should be replaced in 5 weeks or less.

The budget is being worked for permanent repairs to pub or possibly new pub all together. Kevin will update when ELS decides.

Golf course: Continually working with Davey to prepare for course upgrades and enhancements, as the budget allows.

Traps are being put out by hole #12 to remove animals nesting too close to course for safety.

Clubhouse: gutters are being cleaned and contract is signed with vendor for further roof cleanup. Ballroom floor cleaning will be done in off season.

Community: Name plate signs are being installed, should be completed by end of the month. Multiple names are alright if needed.

Street signs are on backorder, management plans to complete in 30-45 days.

Safety concerns were discussed about bridge that goes to hole #10 and will be inspected.

Kevin is working with Joshua Tree to prioritize removing dead trees, then trees leaning too much. All tree and stump removal will be done as funding affords. Priority for safety is given, and should be communicated to management asap.

RV storage area fencing is contracted and should be installed next week.

Storm drains are being cleared for the rainy season and approximately 10% is left to check at this time.

360 degree inspections will start in September after management has had time to notify all residents that the 360's are starting.

WHISPERING PINES EDITOR

NEEDED!!!!

Cindy Ahrens

What??? Yes, our current editor, Cindy Ahrens, is retiring after 8 years of serving the community. A new volunteer is needed as soon as possible to learn the ropes from Cindy before she officially steps down following the December 2023 edition of the Whispering Pines.

Interested? Curious? Want to know more? Well, for starters, editing and preparing the Whispering Pines issues is a fun project! You get to work with a great group of article writers (residents of Pine Lakes) and the printer (Stinger Printing & Graphics) --- and you get to be the first to know all the news! Working with the printer in Cape Coral is pretty slick since they do the entire layout of the WP, solicit all the advertising, and collect all the payments. And--you don't need to be a full-time resident as it's all accomplished via email using Word software.

Quick Overview of Responsibilities:

- Schedule the yearly submission deadlines and publish these.
- Receive articles by deadlines and confirm receipt with each submitter or respond appropriately if the submission doesn't meet guidelines.
- Track submissions of the regular article authors and email anyone who hasn't met their deadline.
- Using Word, cut and paste all articles into one "WP ARTICLES" document and email to Stinger. NOTE: The editor does NOT write the articles, but does review for typo errors, missing punctuation, and simple formatting.
- Email any additional items for the issue, e.g. photos, entertainment list, to Stinger.
- Review the "proof" of the publication from Stinger and edit or verify it is print ready.

Cindy is developing written procedures and gathering samples to make the transition to a new editor smooth and painfree, and she will be here on site to assist in the hand-off.

Who to call to indicate your interest? Cindy Ahrens at 612.790.1913 or your HOA president, Dick Loubier or Gary Nicolini. Please say yes and come onboard this project which is so vital to the Pine Lakes community!

ANOTHER VITAL VOLUNTEER

OPPORTUNITY!

WHISPERING PINES CIRCULATION COORDINATOR NEEDED ASAP!!

Oh, no! Our Whispering Pines Circulation Coordinator Rhonda Baldwin is moving away in July! New volunteer/volunteer team is needed as quickly as possible for this critical position. Please consider stepping up to take on this essential role, either as a solo coordinator or as a couple or a team of friends. We need you!

What is involved? About 4-5 hours each time an issue is printed, 10 times a year, plus a couple hours in the summer months for monthly calendar and flyer distribution. While a year-around resident is preferable, "off season" can be covered as needed.

Here's what you do:

- Receive a count from each court captain of the number of households in residence each time there is an upcoming issue, add up those numbers, and notify the printer of the total needed for the community for each issue.
- Receive supply for the entire community from the printer of the newsletter, monthly calendars, and flyers to deliver with that newsletter.
- Count out the number of newsletters, calendars, and flyers to go to each court based on the numbers provided to you by the court captains.

NOTE: You do NOT stuff the flyers into the issues-- court and cul-de-sac captains do that.

- Deliver the newsletters, calendars, and the flyers to the court captains' homes for them and the cul-de-sac captains to stuff and deliver to their cul-de-sac residents.

Interested in serving our community? Contact Cindy Ahrens 612-790-1913 or cindyahrens@netzero.net. Come join the cadre of volunteers so vital to our community!

VOLUNTEERS ARE ESSENTIAL TO OUR COMMUNITY AND THE WHISPERING PINES IS A GREAT WAY TO SHARE INFORMATION ON PAPER OR ON THE WEB PAGE.

BEAUTIFICATION NEWS

This article was written in June; our rainy season has started and so has the heat and humidity which means our lawns are green and flowers are blooming. Pine Lakes is beautiful.

Summers at Pine Lakes are usually laid back and quiet but not this summer. Beautification, Entertainment and the Women's Club are having an "Old-fashioned 4th of July Picnic" at the pool with hamburgers and hot dogs, Smokin' Pit beans, chips and watermelon. There will be games, music and lots of fun and laughs. Hope you have your tickets so you can join us.

Even though it's summer we are still collecting for the Christmas sale in November. If you're cleaning out the garage or a closet and have unwanted Christmas items Instead of putting them on the curb or taking them to a recycle store, call one of us and we will be happy to pick them up. Thanks.

PINE LAKES MENS CLUB

Rick Saniti, President

Well, darn, I missed the deadline for the May Whispering Pines article! I was so excited to be going on a cruise, I forgot to send it.

The Pine Lakes Men's Club ended the 2022-2023 season with the April 13th member meeting. Once again, we had dinner served by Chef Richard Provino and his hard-working crew of Tom Yaiser, Tony Fettig, Jack Hollmeyer, Kenny Morash, Bruce Jacoby, James Andrews and his wife Tracy, Richard's wife Pat and Pat's best friend Michele Ingram, Vince Bartilucci, and Tom Mathews. Hope I didn't miss anyone. Thank you all for the incredible meals you served up.

Our meeting carried on with a guest speaker, followed by some business items and finishing up with our split the pot. And that was it, adjourned. But there's always plenty to do during the downtime.

We've got the 2023-2024 season pretty much all set, starting with the Halloween Dance on Saturday, October 28th. Tickets will be \$15 and be sold by Rick and Wendy Saniti. Phone numbers are 952-484-1519(Rick) and 239-600-0272(Wendy). The group Boom Town Juke Box will be providing the music. You might've seen them at the Fort Myers "Music Walk" event. And it's never too early to start thinking about a costume. Last year's were fantastic!

Those of you who are full-timers or stayed till the end of May, might have seen the Men's Clubs latest addition to our community. We've purchased and installed 3 Samsung QB55B portrait mounted TVs to display events from all the organizations here at Pine Lakes. There's one in the clubhouse lobby, the Pub and the pool where our glass display case was. We've also upgraded the pool area sound system with 5 new Episode All-Weather commercial speakers, a sound mixer and a Sonos "Port" music streaming device that's connected to the internet. We're working any kinks out of all this as we speak. It's looking great!

The Men's Club appreciates all the Pine Lakes residents who support our events which enable us to do things like this. **We'll see you next season! Thanks again.**

PINE LAKES WOMENS CLUB

Bev Mercurio, President

Hello everyone! I hope you all are enjoying your summer, whether you are in Pine Lakes with us full-timers, or up north enjoying some cooler temps.

Many ladies have asked me to plan some fun activities for the summer as there isn't much going on here during the summer months. You asked and I did! In June we had our lunch and movie afternoon. We each brought our lunch and enjoyed the movie Book Club in the nice cool clubhouse. It was nice to see everyone that came out and a big thanks to Judy DeLonge for getting us the movie to enjoy.

July 19th is our next planned event. We are going to play SINGO BINGO! I hope most of you have seen my flyer posts on Facebook. We will be playing two rounds of bingo for fun door prizes. The DJ will keep the evening lively with his oldies songs and we can all sing and dance right along. He will be explaining the game before we begin. Doors open @ 6 and games start @ 6:30. Please call me for reservations and tickets @ 513-746-8181. It's

just like regular bingo except instead of numbers on your cards, there are song titles which he will play a little clip of. If you recognize the song and it's on your card, then you mark it and so on. Everyone is welcome and yes ladies the guys are invited to join us too. Hope to see you there. Seating is limited so don't wait.

Our last summer event will be in August. An evening at the pool for Women's Club. We can bring appetizers to share or desserts, and just enjoy a nice time socializing and or cooling off in the pool. I don't have a date yet but will post as soon as I do. It will be an evening event.

Important Dates in Military History:

June is PTSD Awareness Month

June 6 – D-Day – Anniversary of the World War II Allied Invasion in Normandy, France

June 12 – Women Veterans Day

June 11-17 National Flag Week

June 14 – Flag Day / Army Birthday (1775)

June 23 – Coast Guard Auxiliary Birthday (1939)

June 25 – Anniversary of the start of the Korean War

June 27 National PTSD Awareness Day

July 4 – Independence Day

On July 4th, 1776 the United States laid down its claim to be a free and independent nation by adopting the Declaration of Independence. Today, Independence Day is celebrated and honored in many forms such as fireworks, BBQs and parades. It is an opportunity for Americans to express patriotism and love of country including reflecting on the sacrifices from those in the military.

July 27 – National Korean War Veterans Armistice Day

It is a time to remember as many as 50,000 American troops who died in the conflict (official sources vary on the actual number), and over 100,000 wounded, and thousands of prisoners of war.

July 28 – National Buffalo Soldiers Day

Celebrates the contributions of some of the earliest African-American troops in the United States military. These troops served on the Western frontier after the Civil War. They served in a variety of ways including security, law enforcement, and other frontier-specific activities. In 1866, Congress passed legislation known as the Army Organization Act, which formalized the creation of six all-Black U.S. Cavalry and infantry units.

July 29 – Anniversary of the Army Chaplain Corps

The United States Army Chaplain Corps is a unique part of American military tradition. Said to be among the smallest (if not THE smallest) unit in the U.S. Army, the Chaplain Corps predates Independence Day and since this unit began, chaplains have served in every American conflict.

August is Anti-terrorism Awareness Month

August 4 – Coast Guard Day

Coast Guard Day is held each year on Aug. 4th to recognize and honor the efforts of The United States Coast Guard. This celebration is considered an “internal” event for active and reserve Coast Guard members, plus their civilian employees and retirees and members of the Coast Guard Auxiliary.

August 7 – Purple Heart Day

A time for Americans to remember and honor the brave men and women who were either wounded on the battlefield or paid the ultimate sacrifice with their lives. Purple Heart Day is also known as National Purple Heart Day, Purple Heart Recognition Day, and Purple Heart Appreciation Day.

August 10 - DoD Birthday (1949)

August 10 – Agent Orange Awareness Day

An annual observation designed to raise awareness of the effects of the herbicide known as Agent Orange, used in Vietnam by American forces to defoliate future and current battlegrounds with the purpose of depriving the enemy ground cover to hide in.

August 14 - National Navajo Code Talkers Day

This holiday honors the contributions of Native Americans / First Nations people who contributed to the United States war effort during World War Two, as well as recognizing the evolution of U.S. code related to Native American languages and the participation of First Nations tribe members in U.S. military efforts from many conflicts.

August 16 - National Airborne Day

Celebrates the accomplishments of Army parachute tradition. The Army's Airborne Rangers and the Army Golden Knights parachute team are among the best-known American paratrooper organizations, and the accomplishments of Army paratroopers are noted across more than seven decades of service including the Iraq war in 2003.

August 29 - The Marine Corps Reserve Day
 (also known as the United States Marine Forces Reserve or the U.S. Marine Corps Forces Reserve) was created in 1916, in conjunction with the creation of the Navy Reserve. Since then, the evolution of this force would expand from just thirty-five to today's roughly 40,000 Marine Corps Reservists.

Have you heard of the Brick Program? Our brick program allows U.S. Military veterans and their families to honor their service by purchasing a brick, which is placed in the Veteran's Memorial (in front of the clubhouse). If you'd like more information, please contact Steve Falck (239-980-9318). This is a great tribute to the Veteran(s) in your life!

If you know of the passing of a Pine Lakes Veteran, please contact Tim 513-300-7877 or Linda 517-202-6219. We have a special segment during our Veteran's Day Ceremony to honor them and we don't want to miss anyone.

If you believe you are a member but are not getting the meeting reminder emails, please contact Linda Baker (LLB5775@comcast.net or 517-202-6219) to update your information.

Our next meeting will be held Tuesday, Sept 5, 2023 at 2:00pm in the activities room in the Clubhouse. Stop by and get to know your fellow Veterans better. Pine Lakes Veteran's Association hats and shirts will be available for sale. Hope to see ALL Veterans there!

NIFTY NINERS

Ruth Hovet

"Golf is more about the people you play with than the score you shoot."

April 19

We had 15 ladies playing a shamble, a scramble and one's own game - or as it is called - 3-3-3. The Loubier, Yedinak, Reetz and Vogel team scored a "33" which put them in first place.

April 26

Choose a hole to skip (before the game begins). Holes #2 and #9 were the popular ones. Linda Lamonica wisely chose #9. She shot an 8 on that hole so even though she didn't have the lowest score she was a winner in this game. Kathy Wiegand came in with a low net of 20 so she was a winner too.

May 3

It's May and the start of the summer season. Every week we say goodbye to one of our members. The low scoring scramble team was Ciccone, Machado, Sloan and Hurley with a 31.

May 10

Welcome to new member, Sharol Liepe. We played a scramble on the back nine. The Willis, Sloan, Vogel and Lamonica team came in first with a 33. The other two teams need some more practice.

Saturday, May 13 - The Ladies Summer Fun Shootout This date conflicted with the Mother's Day Luncheon put on by the Women's Club so there were only seven players and four of them were Nifty Niners (Machado, Wiegand, Willis and Hovet). And Helen Machado made us proud -- congratulations on your win, Helen.

May 17 - Lake Fairways

There were seven ladies from Pine Lakes and two from Lake Fairways who played the back 9 at Lake Fairways. The Niners have not played the back 9 as a league so we were out of our comfort zone, but up to the challenge. No scores were reported but the Hurley, Lamonica, Liepe team was smiling at the finish line.

May 24

It's one last low net game before we start playing scrambles and shambles during the summer. Only one stroke separated the top four players: Vogel 27, Wiegand 28, Ciccone 29, Klimko 30.

VETERAN'S MOBILE HOME SERVICES

TEE TIME Ladies 18 Hole Golf League
Joann Cline

“You’re in a car headed north, there’s a fire engine on your right and a fence on your left. There’s a horse in front of you, with a helicopter following behind you. What do you do?”

Put down your drink and very carefully and slowly get off the merry-go-round. (plagiarized from a birthday card)

The summer months find us missing our northern friends, and aside from the horses, helicopters and fire engines, we’re hoping they have safely arrived at their destination and are enjoying a healthy summer.

With our Pine Lakes population thinned out, there’s not a lot of activities to report on for our lady golfers. We do want to thank Donna and Charlie Schneider, and Linda Wakefield for the always fun Memorial Tournament. Donna and Charlie are also the organizers for our Summer Fun Shoot-Outs, and we want to thank them, along with Dick Loubier who is our officiator for the matches.

Despite the heat and humidity, our die-hard ladies are continuing to play on league days, alternating weekly between Pine Lakes and Lake Fairways. Some choose “nine and dine”, while others, gluttons for punishment that they are, choose to continue on and play 18 holes. Either way, our ladies are out there trying to fine tune and maintain their golfing skills in anticipation of the return of our migratory friends.

NOTE TO ALL MEMBERS OF PINE LAKES

From Cindy Ahrens, Editor of Whispering Pines

Many of the photos that I've been including recently have been pulled from Facebook posts! I always contact the photographer to request permission for possible inclusion in the Whispering Pines. I can tell there are many of you taking and sharing some terrific photos! PLEASE SEND THOSE PHOTOS DIRECT TO ME at cindyahrens@netzero.net so I can add to the Whispering Pines photo file to fill our color covers. There may not be space for all photos, but I will pull from that file as needed to include on our covers in color. THANKS TO YOU ALL!

REMINDER TO ALL WHISPERING PINES READERS

Copies of Whispering Pines are not mailed to absent residents by the Editor or by the printer. There are three options for any member to read each issue to keep up on activities when not at Pine Lakes:

- 1) Each issue of Whispering Pines is downloaded on the Pine Lakes web page www.ourpinelakes.com and can be read in full color online.
- 2) With no computer access:
 - a) ask a family member to print a black & white paper copy, or
 - b) ask a close Pine Lakes neighbor to request an additional copy of Whispering Pines to mail to you (don't forget to pay your neighbor for the supply of 9x12" envelopes along with estimated \$2.20 postage per issue).

Happy reading no matter where you are!

ATTENTION CUL-DE-SAC AND COURT CAPTAINS

Cul-de-sac Captains: Be sure to call your Court Captain with a current number of Whispering Pines copies needed by the 20th monthly.
