CHANGES! CHANGES!

By Maura Alexander, *FMO leased-land Representative

In 1992 my husband, John, and I moved to Pine Lakes as it promised a fun-filled, activity-filled, friends-filled retirement life style in an age-restricted community. We could not imagine that the wonderful years we envisioned might be threatened as we grew older. Sure, we worried about our health, our minds, our finances and, if we would get pulled over by the police as we raced to get those early-bird specials. We didn’t worry about our shelter as we had moved to Pine Lakes, life was good!

We felt comfortable that Pine lakes was owned by the Brown family who sincerely seemed to share our retirement dream. In 1990, most manufactured home communities were family-owned, independent operations, and the Brown family was able to run Pine Lakes, provide everything they advertised and still financially profit from park ownership. Our first change came when a corporation purchased Pine Lakes from the Brown family and then a few years later another huge corporation, **Equity Lifestyle, purchased Pine Lakes. Now, Pine Lakes is owned by Chicago-based Equity Lifestyle (ELS) and we are a REIT (Real Estate Investment Trust). ELS is not in the “friendly-manufactured-community” running business. ELS is in the “keeping-stock-holders-happy” business. That is my problem; that is your problem! That is our problem whether we live on owned land or leased land!

When purchasing a home in Pine Lakes the land rental cost you begin with is called “market value”. Today’s “market value” is usually much higher than yesterday’s “market value.” All our lease-land rents are adjusted yearly in January according to the CPI (this is good). In an ideal world, sellers of lease land homes would pass on the prospectus that legally stays with the house. The new owners would now have the same rights as the previous owners. When ELS buys the house, or when the sellers do not pass on the original prospectus, ELS can now issue a new prospectus friendlier to ELS (I’ve told you this many, many times). The new ELS’ friendly prospectus is “P4”. Earlier residents of Pine Lakes have P1, P2, & P3. Life may not be good for new residents as they have a high “market value” and a not-too-friendly prospectus. After years of CPI adjustments, the monthly land rental costs can become a financial burden. This is happening to many of our older residents who purchased in the 90s, but those who bought later on in the 2000s, are also starting

to feel the pinch. Some of these residents tried to sell their homes but the new market value rent was so high that the deal fell through. NOT TO WORRY AS ELS HAS THE SOLUTION! ELS will purchase your home, resell it and now ELS has the opportunity to entice a new buyer with a few perks and give out that P4 prospectus.

I have heard, but it could be one of those Pine Lakes' rumors, that ELS is buying estate homes and lands. I have also heard that ELS is paying a fair price, and the closing costs, and the brokerage fees. Surprise! Whamo! What used to be "Estate" is now "Leased"! I'll bet you can guess what prospectus this new parcel has.

ELS may also be buying homes to rent. Why on earth would they do that? Remember F.S. 723? If ELS owns the house and land, and rents the land and the home they are not under F.S. 723! (There are laws for renters but I do not know what they are.) For you and me that may not be a good thing. Renters could be given the use of all the Pine Lakes amenities that you and I pay for and they may not share in those costs. How does that strike you? Also, and it's a big ALSO, I have read that if the number of renters in a community becomes high, the house values can stagnate or decline. This may provide short-term benefits for ELS' shareholders but have a negative impact on Pine Lakes' homeowners.

Hummm! I wonder what could happen here when ELS owns all the land?

What can you do?

Everything ELS is doing is probably legal but don't say, "It is what it is." Instead say, "When spiders unite, they can tie down a lion." (Ethiopian Proverb). Get active: join your HOA, go to meetings and express your concerns. Join FMO! With a large FMO membership, politicians, regardless of party, will listen to us. Politicians will support the passing of new laws that strengthen F.S. 723 if enough of their constituents have a loud voice through FMO. Look at the FMO Facebook page and the website, fmo.org. JOIN! JOIN! JOIN! UNITE! Get your new neighbors to join as they will face our problems in the future. Tell them that they need to help with the problems of Pine Lakes now and not leave problem-solving to the older residents. Many residents have talents that your HOA and FMO can use. Let us know what your talents are and if you are willing to volunteer those talents. You also need to watch the newspaper for Public Notices of Change In land

Use as that could be extremely meaningful to us. Attend some meetings of the North Fort Myers Civic Association which meets monthly on the 2nd Tues. at the Park and Recreation Center on Business 41, 6:30 P.M. to 8:30 P.M. (239-533-7200 to confirm schedule.) We need to know by what percentage our lease-land rent will go up. With some help from a friend I was able to look it up and in January 2020 rent will go up 1.8%. You need to know if ELS' figure is correct when you receive your notification in October 2019. **If anyone reading this article can think of anything else please let me know.**

NO ONE IS EXEMPT! EVERY HOME OWNER IN PINE LAKES MUST JOIN HOA AND FMO. IT'S OUR ONLY HOPE TO ENSURE A HAPPY RETIREMENT IN THIS PRESENTLY "LUCKY-TO-LIVE-HERE" COMMUNITY. IF YOU HAVE A CONCERN SAY SOMETHING TO AN HOA BOARD MEMBER OR TO YOUR FMO REPRESENTATIVES, THEIR NAMES AND PHONE NUMBERS ARE IN THE PINE LAKES PHONE BOOK.

*Federation of Manufactured Home Owners of Florida, Inc.

** ELS is one of the largest owners of mobile/manufactured home communities. Equity Lifestyle's Real Estate mogul, billionaire Sam Zell, has the best performing REIT increasing in value from about \$40 per share in 2015 to \$128.43 per share in 2019. In 2018 Bloomberg ranked Zell as the world's 397th richest person with a fortune of \$4.4 billion. Don't you think Sam Zell could afford to be a little friendlier to retirees? Maybe he would be if we push back!

TENNIS -- LATE SUMMER

By Dixie Shaw

The "Whoevers"

Tennis is still going strong in Pine Lakes, though dodging raindrops, lightning and thunder mess with plans. We often have afternoon thunderstorms throughout the summers in Pine Lakes but this year is unusual because they arrive throughout the days and nights. However, there is a group that braves not only the weather but the time. These early birds, called "Whoever," take the court at 7:30 am and play till 9 am. "Whoever" means just that: Whoever wants to play is welcome. The group needs at least four players, if more show up, they rotate in and out which is a benefit in scorching temperatures. While the original group was the "over the hill gang" age 80, this new group is not age restricted other than community restrictions, 55+.

John Seiler is also unusual. A long-time resident of Pine Lakes, John is 92 years young. He was in the original "over the hill" gang and has been playing tennis for the past 15 years. He learned the game in high school. You might wonder if he has a special 'Eveready battery' or has found the 'fountain of youth'. Actually, he generates his own power in a daily routine that would challenge most folks regardless of age.

- John gets up at 5:30 am, has breakfast and plays the Word Jumble game in the newspaper.
- 6:30 am goes on a 5-mile bike ride, about 30 minutes.
- Plays tennis from 7:30- 9:00 with "Whoever."
- 9:00-10:00 am Goes directly to the gym. (Now Lake Fairway's gym because Pine Lakes gym has been closed all summer.) There he does stretches, weights and the treadmill.

"Whoevers" Bob Dowd, Ken Stokes,
John, Sharon Reid, Ed Dukas
(missing Bev McNeal)

- Goes home for lunch then lays down for an hour nap.
- Works around the house and yard for a while.
- At 3:30 he swims for an hour continuously with no flotation device.
- Goes home, has a beer and two vodkas.
- John and wife Barb fix and have dinner.
- Retires for the night at 9:00pm.

Way to go John! Actually, you eliminated me at the 5:30 am wake up regardless of the rest of the day's activities. **YOU ARE AMAZING.**

BEAUTIFICATION TEAM

By Bonnie Stropes

Summer has been a busy time for our Beautification Team. We completed our 2018-2019 projects by giving the flower pots around the pool a fresh coat of paint and undertaking a much larger project of a Lobby refresh. These were made possible by our hard-working team, who worked diligently to make our events of last season fun and successful, all of you who attended our events, the organizations and groups who gave us generous donations, and ELS who also supported our venture. Thanks to each of you and we hope you enjoy the lighter, fresher, more coastal look of the Pine Lakes Lobby (see cover photos).

July 4th was celebrated by the "Residents of Summer" and guests. We were treated to DJ music by Joey Garbino, and lunch, consisting of sub sandwiches and all of the trimmings. A good time was had by all. (See cover photos.)

As Fall and the 2019-2020 Season approaches, we are looking forward to your return to Paradise. Rest up and travel safely.

MEN'S CLUB

By Tom Minahan

As I write this newsletter sitting here in Upstate NY in a violent thunderstorm, the weather we have seen this year there has been many days with rain. And I know by talking with the Board members in Pine Lakes they have been getting lots of rain!

Well, I hope we will have another successful year with the Men's Club with some of the activities the Board has planned for 2019 -2020 year.

The month of September we will be starting to sell tickets for the Halloween Dance which is on Oct 26th. This year we have back for dancing and listening pleasure Tim Goodman and Roseann. We had them in the past and many people asked that we get them back again. We will have the costume contest with prizes and you can bring your snacks and we will provide setups. Check the bulletin Board for more information.

It is with regret that our new Treasurer, Mike Stopes, will be resigning before our first meeting in October. Mike has done a great job in just a short time, but Mike and Bonnie have decided they needed more room and have purchased a home in Herons Glen. They both will surely be missed. If any Men's Club member would have an interest in that position of Treasurer, please give me a call or contact any Board Member.

In November we will have election of officers but this position has to be filled before November. Mike has agreed to help in the transition, and I am sure Carl Schlachter would be available to help.

On Oct 2nd Wednesday night Bingo will resume doors open at 5 with food available and calling starts at 6:30. As always \$250.00 Jackpot last game with so many numbers called.

The Men's Club meeting is the second Thursday of each month--October meeting is the 10th and food will be served. Looking forward to seeing you all after the summer break.

GOLDEN OLDIES GOLF GROUP

By Betty White

Here we are in August and the Golden Oldies continue to play in spite of an exceptionally warm August with much humidity. We continually have four to five teams of 3 or 4 each week. We alternate between Pine Lakes and Lake Fairways courses. It is a scramble, playing best ball. We play nine holes of golf every Friday at 9:00 AM. (Summer play has been moved up to 8:00 AM due to the heat.)

We are looking forward to the start of the Fall season and our snowbirds will be drifting back as the weather gets cooler. Anyone wishing to play may contact Jim Conrad (listed in the Pine Lakes phone directory) or sign up in the pro shop at Pine Lakes or Lake Fairways.

We have had several birdies this Summer:

Congratulations to Terry Fenech, Shirley Kubie, Brenda Loubier, Bob Cornwell, Gene Stevens, Rich Pacewic, and Al Gaetani.

Winning Teams in August are as follows:

August 2nd: Terry Fenech, Martha Stevens, Jim Johnston

August 10th: Terry Fenech, Pat O'Connell, Jim Johnston, Rich Pacewic

We will be planning a Pizza Party for the 3rd or 4th week in September. More info to come at the play days. Thanks all for a great Summer, look forward to seeing everybody for more fun in the Fall.

With Fall fast approaching, should you wish to participate, or find out what we are about, come join us for sign-up for the *Fall Session of Bocce* to be held on Wednesday, October 2 in the Activities Room behind the ballroom of the clubhouse, at 9:00 AM. Come join us for a cup of coffee, etc., get information, and join our group. If for any reason, you cannot attend, you may contact one of our committee members for information. Some of the members to contact would be Irene and Al Gaetani, Jim Rastrelli and Shelby Greene. All are listed in the Pine Lakes Phone Directory. The season will begin every Wednesday, with the first week of play on October 9th and run through December 11th, with the playoff games on December 18th.

It is with mixed feelings, we announce that Mike Stropes will be leaving the community and is no longer able to take care of our roster, scoring, etc. Jim Rastrelli has offered to take over this task. We are looking for someone with Excel Program experience to aid Jim in the learning curve to manage this program for us. This will consist of setting up the roster, scheduling of the teams and scoring each week. If you are experienced and willing to donate some of your time, it would be greatly appreciated.

Best wishes to Mike, we will miss him and the efficiency which he provided us in his tenure as "computer guru." Thanks again, Mike. *Looking forward to see you all in October.*

Here I am sitting in my air-conditioned home just like I have been doing for two months now, and probably two more months to go before we can enjoy Florida. The 12 new tees are coming along fine, I think. Some look nice and some don't. Maybe by October they will all be fine--time and water will tell. Speaking of water, when will the rain stop? TEE TIME

Ladies 18 Hole Golf League
By Joann Cline

Rain, rain, and more rain, and not a lot of Ladies League golf to report, so, borrowing from a recent e-mail, here are a couple of insights into the game:

Golf's a hard game to figure. One day you'll go out and slice it and shank it, hit into all the traps and miss every green. The next day you go out and for no reason at all you really stink.

An interesting thing about golf is that no matter how badly you play; it can always get worse.

With those encouraging thoughts in mind our golfers are anxious to get back into the swing of things, welcome back the snowbirds, make use of the new and refurbished tees, and get our 2019-2020 season underway.

Even though the summer rains tried to put a damper on all things golf related, the ladies managed to get in July and August's Summer Fun Shoot-Outs. **CONGRATULATIONS TO THE WINNERS!**

July – First Place Linda Wakefield Runner-Up Helen Machado

August – First Place Gina Eberhardt Runner-Up Carol Listermann

The Grand Finale for our summer shoot-outs is scheduled for Saturday, September 14th. Everyone who participated in any of the summer shoot-outs is eligible to play in the Grand Shoot-Out. So, rather you made it all the way to #9, or went out on hole #1, hole #8, or somewhere in between, please plan on participating on the 14th. Hopefully, with the return of some of our snowbirds, there will be a good crowd of spectators to help cheer you on.

By the time this issue reaches our readers, our first event of the fall season, the Labor Day Tournament, scheduled for August 31st, should be in the history books. A big THANK YOU to Linda Wakefield and Barb Willis for taking charge of this and the other upcoming holiday tournaments. If past tournaments are any indication of what's to come, we've got a lot of fun to look forward to.

Important Dates in September:

- 2nd Labor Day
- 11th Patriot Day (fly the flag and stand for the anthem)
- 14th Ladies' Summer Grand Shoot-Out
- 21st Ladies' first 2019/2020 regular Shoot-Out

Wishing a **Safe Migration** to all our snowbirds as they come drifting back to our Pine Lakes paradise.

PINE LAKES SHUFFLEBOARD – FALL SEASON STARTS OCTOBER 8, 2019 at 7:00 PM!

By Elaine Mandeville

We're looking forward to welcoming back all our northern friends soon. Some will join us in the next couple of months and then the rest of our friends will be back after the holidays. We hope everyone is enjoying their summers wherever you are. Down here in Florida it started out VERY HOT and dry and now it is raining, and raining, and raining! But it's WAY better than snow and everything is green here in paradise! The traffic is light and we have NO wait to get in to even the most popular restaurants!! But we miss you guys!

Our new season will commence on Tuesday, October 8th and continue through December 10th, in plenty of time for folks to get back to the frozen north for the holidays.

For those who might be considering joining for the first time, we can teach anyone to play in about 15 minutes and then we match you up with a seasoned player for your first game. So, don't be afraid to come out and join the fun. We start at 7 PM and have two games which end about 8:30 – again always being considerate of Tuesday night sports on TV!! You don't need to show up with a partner, as you get a number for each game and they are drawn at random to create partners. We also change partners for each game.

We do keep track of how many games each person wins in a season and send out scores each month. It costs \$.25 per night to play and each winner gets \$.10 for each game won! High stakes – we understand that – but we are there for the camaraderie – not high competition. Lots of teasing and laughing goes on and it's easy exercise. So, come for one evening, or all 10 evenings, it's up to you. We'd love to have you join the fun.

Everyone is invited to come and learn to play if they don't know how. It's easy, and we love to get new people started. The game can be learned in one quick lesson and those who have played in the past are paired with new folks. It's lots of laughs and a great way to meet people you might not have met already. No need to be a couple to play, individuals are matched up with different players each week. Actually, we make sure no couple play on the same team – they can play against each other though, which adds another dimension to the teasing!

Hosted once again by Irene and Al Gaetani. Everyone is invited to show up a little early to help them set up the courts and get the equipment out. Last year we found that many folks chipped in by coming a few minutes early to get the equipment out and staying to put it all away. Our community is always filled with willing hands and it is appreciated!

See you soon!
