Special Message From: HOAll President Gary Nicolini

HOA II Residents:

We have not yet, had our meeting with ELS Council about the new prospectus that they want to implement. Our Lawyer has been trying since October, but with no response. Lake Fairways had their meeting and it was decided by ELS, to revisit their attempt at the new prospectus. They stated to "carry on as usual". If you pay your rent by cash or check, then this has not changed. Just keep doing what you have previously. I will keep you posted.

Thank You,

Gary Nicolini, President
